Thanks, Nafeeza,

Next week, I will be submitting the form 470 to start the next e-rate cycle. I'll let you know when that form is submitted because Allied will need to bid on the work.

Kathleen

Ken,

Currently, the internet connection provided by Allied to the Free Library of Philadelphia is **100Mbps Metro Ethernet Fiber Transport**

Please provide us with 2 quotes:

1) 200 Mbps Metro Ethernet Fiber Transport

Or

2) 1 Gig Metro Ethernet Fiber Transport

We will consider both costs in our upgrade decision for the next fiscal year, July 1, 2009 – June 30, 2010.

Thanks,

Kathleen

Subject: Internet Service Quotation - Allied Telecom Group

Hello Kathleen:

Allied is pleased to submit a quotation for renewing Internet Services for the Free Library. Please accept the bid for Internet access (Application: 24320000708157) for a 200Mbps Internet Connection for services to commence on July 1, 2009 through June, 30 2010. This connection will be provided over our existing fiber at the capacity of 1000 Mbps (Gig E). Your Internet port will be rate-limited to 200Mbps and immediately increased at any time upon your discretion.

Upon this year's award, our service delivery team will be in touch with you to discuss the detail of making the transition to the higher speed and capacity. Should you have any questions in the meantime (pricing, solution, etc), please do not hesitate to contact me or Ken Williams directly.

It has been an absolute pleasure serving your organization and community and we look forward to providing services for years to come.

Best,
Oscar Williams
